It's Game Time! The Basketball FUNdamental Skills Clinic is aimed at players of all different ability levels. We will build your player's skills and help him/her become a better player. This clinic is designed to be fun and enjoyable while working hard on those fundamental skills.

Coach Fred Skrocki and Coach Jim Correll have been coaching basketball for many years. Both have been very successful at many levels including the high school varsity level. Both are school teachers and enjoy working with children. Your player is in great hands.

Questions about the clinic should be directed to jimcorrell70@gmail.com.
