Dear Ms. Kwiatkowski,

For almost 50 years, with generous and compassionate hearts, the faithful of the Diocese of Pittsburgh have served our sisters and brothers in need in the Diocese of Chimbote, Peru. We have done so through the lives of devoted clergy, religious and laity, and with the heart-felt support of mission-partners like you.

This letter acknowledges gratefully the contribution of \$2,161.16 from Family Fun Day and the pumpkin decorating contest held by Saint Kilian School. This gift provides much needed support for infants, children, mothers and families seeking healing and hope in Chimbote. On behalf of the “poorest of the poor” among us, we are privileged to express their gratitude for your support and selfless generosity.

Sincerely,

*what a wonderful gift from St Kilian School!
God Bless you + your students + faculty.*
