

Seneca Valley presents:

THE **W**/HOLE **W**/ORLD IS **W**/ATCHING

Chuck Favata, a former teacher and nationally recognized presenter on cyber safety, will present two can't-miss programs for parents:

K-6 Parent Meeting

- 7 p.m. on Feb. 21
- Haine Middle School Cafeteria

7-12 Parent Meeting

- 7 p.m. on Feb. 23
- Seneca Valley Senior High School

Through a simulation of Internet activity, program participants will become aware of the far-reaching effects of cyber bullying; the tactics and tools online predators use to search and elicit information to entrap prospective targets; and the long-term implications and ever-increasing problem of online posting.

A photograph of two children, a girl and a boy, looking intently at a screen. The girl is on the left, with long dark hair, and the boy is on the right, smiling. They are both wearing light-colored shirts. The background is blurred, showing other people.

INTERNET SAFETY

This event was made possible by a generous grant awarded to Seneca Valley by the Verizon Foundation. We appreciate their support.
