

Appendix C: Uniform Policy

Students in Kindergarten through 8th grade at Saint Kilian Parish School are required to wear the specified school uniform (as detailed below) which will help best serve the overall purpose and goals of the school.

Land's End has been selected as the supplier of choice for Saint Kilian Parish School due to the quality of the merchandise, various shopping options, and the financial support they provide back to our school. In addition to Land's End, uniform basics may also be purchased from local merchants. Any items purchased from vendors other than Lands' End should be identical both in color/pattern as well as style.

	Kindergarten – 2nd Grade	3rd – 5th Grade	6th – 8th Grade

MISCELLANEOUS

- **Badges**

Student ID badges and lanyards are part of the daily uniform. Your child is required to wear their badge to school to check in to the facility in the morning, purchase lunch and check out library books. Students may choose to substitute their SKPS lanyard for one of their choosing but must return the SKPS lanyard to their teacher. Additionally, students who lose or destroy their badge will be charged \$5 for a replacement.

- **Shoes**

- **Mass Day**

- Shoes should be navy, brown or black, closed toe and have non-marking rubber soles. Girls' shoes should be flats (no heels); flat, conservative boots may be worn with pants (not tucked in) or worn with skirts/skorts/jumpers with tights.

- **Non-Mass Day**

- Clean white or black ankle cut sneakers (not embellished) with plain laces are acceptable on non-mass days.

- **Dress Down Day**

- Shoes do not include flip flops or clogs.

- **Mass Days**

- Mass days should reflect more formal attire than regular school days. Girls should wear a white button-down shirt, green v-neck vest with school logo (vest optional in September-October, April-May), and either a plaid skirt/skort/jumper or khaki pants/skort. Boys should dress in a white button-down shirt, vest and/or tie (Lands' End white plaid tie or other brand black or evergreen tie) and khaki pants. Boys in grades K-5 vest and/or tie are optional in September-October and April-May. Boys in grades 6-8 must have a green vest with school logo or Lands' End white plaid tie or other brand black or evergreen tie all school year.

- **Non-Uniform Days**

- All dress-down clothes must be neat and free of holes. T-shirts are acceptable as long as there is no inappropriate language/content. Shirts must be long enough to cover stomach, and shoulders must be covered (no spaghetti straps). Jeans and appropriate length shorts may be worn.

- **Belts**

- All 3rd through 8th grade boys and girls are expected to wear belts with their uniforms on a daily basis (if belt loops are present). Belts are optional for all students in Kindergarten through 2nd grade.

- **Jewelry/Miscellaneous**

Only girls' ears may be pierced, and with a single earring. For safety reasons, please limit earrings to post-style studs only. Please no tattoos (permanent or temporary). A single ring or bracelet may be worn. Conservative/natural makeup on girls only 6th grade and above.

- **Hair**

For all students, hair should be of a natural color and conservatively styled. Hair accessories for girls should not be distracting and should coordinate with the uniform. For boys, hair is to be above the collar and neatly combed.

- **Labeling**

Please label all removable items (sweaters, sweatshirts, jackets, etc.), especially for younger grades, as these items are easily lost.

- **Spirit Wear**

School spirit wear (e.g., sweatshirts, shorts, jackets, etc.) may be ordered through Sharon's Stitches. All items may be ordered using the form available in the school office or on the Saint Kilian Parish School website. Items will be displayed at various times throughout the year. Spirit wear sweatshirts are NOT appropriate for uniform days.

- **Available Resources**

Guidelines, order forms and item links for uniforms and spirit wear are available on the Saint Kilian Parish School website. Please refer to this information if you have questions, or feel free to call the school office.

This policy is made to be as clear as possible. If there are any questions about the Dress Code/Uniform Policy, please contact the school office. Any violations of the Dress Code are handled according to the discipline policy. Phone calls to parents may be made to bring required uniforms components, if a violation occurs.
